

In terms of contractors the LTA advise venues to use SAPCA approved contractors. This is because, through their affiliation to the body, they should be complying with LTA specifications. The LTA can also have greater reach in terms of supporting with resolving issues, where they may come about, again through the affiliation body.

- SAPCA's website is - <https://sapca.org.uk/>

They have the option to 'Find a member', where users can refine their search by sport or location.

There is also a link to the LTA's Facilities Toolkit. There is a designated tab on Fencing options, which covers the pros/cons of three different options and approximate costs.
