

# WANTED

## Tennis Coach - Pocklington

Pocklington Tennis Club is based in a small market town, just outside York. We have 120 adult members and over 150 juniors. In our centenary year, we put the community at the heart of what we do and were proud to win Yorkshire Club of the Year in 2019. We need you to help us drive the club forward. You can do that by expanding our reach and ability to provide quality tennis coaching to local people.

You should be an LTA Level 3/4 coach (or an experienced Level 2 prepared to take the Level 3 qualification) with awesome communication skills. You will be focused, have a real passion for tennis and will want to make a positive impact on those you work with.

You should love working in a close knit team, have really good organisational ability and be on time for everything you do.

You will be delivering a variety of types of sessions on our programme; including Junior & Adult Groups, 1:1 Lessons, Holiday Camps & Schools. You will ideally have some good experience in delivering these types of activities.

Your typical day might look like cardio or school sessions in the morning, private lessons in the afternoon followed by some after school group coaching. You can initially expect 20-30 hours per week and we will help you with further opportunities as we grow our programme together.

Some of the people you will be working with;

Sean, our Head Coach who has built up massive growth in our junior coaching activities over the past three years;

Chris, our Chairman who has just secured a £100k grant towards our exciting covered court project;

Matt, our Secretary, who has recently driven the purchase of a new ball machine for the club and looks after our website;

Helen, our Safeguarding Officer who ensures the welfare of those that play at the club;

Richard, who looks after the maintenance of the grounds and ensures that our 6 astroturf courts (4 floodlit) are in tip top condition.

We'd love for you to send us a CV and cover letter
