

County Matches

Once again the County Match Secretaries, Mrs. W. S. A. Hann and Mr. J. K. Jarvis, are to be congratulated on a most successful season. Undoubtedly the highlight of this season was the winning of the Inter-County Championships on grass by our ladies team and Mrs. Hann and the whole team are to be heartily congratulated on their magnificent performance. The last time the Yorkshire Ladies won this title was in 1901. Although it is not usually desirable to refer to individuals, I think mention must be made of Miss Starkie's unbeaten record of 15 rubbers in the week.
